We welcome all the new members to the Board and look forward to a productive and fun year. The members in attendance also voted for the new By-laws, which went into effect immediately. The most notable change in the Bylaws being the election of Trustee positions on a bi-annual basis. With Position # 1 and # 3 being elected in the odd-ending years , and # 2 and # 4 being elected in even ending years.

We had a great turnout at the Annual Meeting and even though it was a long meeting, it was an informative one. We thank you for attending.
