

Lake Sawyer July 4, 2010 Celebration

Three Days of Celebration

Boat Parade Theme: America the Beautiful

Saturday, June 26th

Annual Fun Run, Walk, Bike

10:00 AM

LSCC Clubhouse

29006 216th Ave SE

Join us for the 17th annual Run, Walk or Bike around the lake. The course is 5.2 miles long; the race is held rain or shine, and begins promptly at 10:00 AM so come early to check in and sign up. Children under age 10 must be accompanied by an adult and all cyclists must adhere to the rules of the road and wear helmets. Bikers will begin first with runners and walkers following. Participants will be asked to sign a liability waiver at check-in and a parent must sign for minors. Please call Mark Davidson (886-7902) for information or if you wish to help. LSCC members will participate for free with non-members paying \$5. T-shirts will be provided courtesy of the LSCC.

Each year LSCC seeks the permission of the landowners and residents at the southeast end of the Lake for permission to use their property for the annual Fun Run around the lake. Palmer Coking Coal Co. has once again graciously agreed. Please remember that this land is private and there is no permission to use this route other than the June Fun Run date provided through a Special Use Permit. At all other times during the year please respect their property and privacy rights. Thank you.

Saturday, July 3rd (note day change)

Waterski/Wakeboard Event

3:30 - 5:30 PM

South End of the Lake

Please note that we have changed from the traditional day and time of this event! It's been moved it to day before the 4th to make it easier for more of you and your friends or family to participate or come out and watch. So please come out and take some turns in the slalom, or strap on your board and show us some big air. Action photos will be taken and posted on the website. Don't forget to bring your friends and family to watch. First come, first served to ski or ride with a maximum of 20 entries. Pre-registration is encouraged. Participants must meet at the starting raft which will be off Duck Island, at the southeast end of the lake, no later than 3:15 PM. Participants will be asked to sign a liability waiver and a parent must sign for minors. Slalom skiers will go first, followed by wake boarders. Spectators are welcome and highly encouraged to come out and watch, but no wake please! We need to keep the lake as calm as possible. LSCC obtains a special permit for this event which allows only the tow boat to exceed the normal 5 MPH speed limit. Other boats exceeding the limit will be ticketed by the Black Diamond Marine Patrol, who will be on duty to ensure safety for all. For information, or to pre-register, contact Jeff Merrill at 886-0238.

Sunday, July 4th

Volleyball Tournament

12:00 - 2:00 PM

TBD

The East vs. West tournament will be held again this year. Get your team together and defend your side of the lake. Site of this tournament will be announced later.

Paddleboat & Canoe/Kayak Race

3:30 PM

Between Big Islands

Two races will be held, one for the paddleboats and one for the canoes and kayaks. Race individually or as a team. Meet between the two big islands in front of Sunrise Resort at 3:15 PM. Race starts at 3:30 PM. There is no need to register, just show up and race.

Boat Parade

5:00 PM

Dock#40

"America the Beautiful" is the theme for this year's parade of boats. Special prizes will be awarded for the best decorated boat, most patriotic, and the most original. Boats need to be off dock #40 at 4:50 PM. The parade will be lead by the Black Diamond Marine Patrol boat with this year's Grand Marshal aboard. The parade will proceed counter clockwise around the lake. Uncle Sam has promised to attend this year with candy for the kids. Let's set a record for the number of boats in the parade!

House and Yard Decorations

2:00 - 5:00 PM

Prizes will be awarded for the best patriotic house and yard decorations. Judging will take place between 2:00 and 5:00 PM

Fireworks Extravaganza

10:15 PM

Middle of the Lake

The perfect ending to a perfect day. The display will be as close to the center of the lake as possible to optimize viewing for everyone. The location of the raft is chosen for maximum safety and in an area where most residents can view the display. Remember, if you plan to view the fireworks by boat, you must stay at least 400 feet from the raft. **Please utilize your navigation lights!** State law mandates that all motorized vessels shall display red and green side lights and an all round white light. Manual powered vessels (canoes, kayaks, rowboats, etc.) must at a minimum have a white light displayed which is visible in all directions (flashlight or lantern). The Black Diamond Marine Patrol will be present to ensure the safety of all observers and enforce a safe distance from the fireworks raft.

Questions concerning the 4th of July activities should be directed to a member of the LSCC board unless otherwise noted.
