

Do you want to become a sponsor on the LSCC website?

There are only a few simple guidelines for sponsorship and the terms are very reasonable. Our objective in securing sponsors is simply to defray the cost of maintaining the web site--not to create a profit center.

Guidelines:

1. Ads run for twelve months.
2. Messages must be in 'good taste'. The LSCC Board reserves the right to manage sponsorship as it sees fit.

Sponsorship Rates:

Business card (see examples on this page). And a link to your own privately maintained business web site--if one exists:

\$20 per year (12 months).
