Board Meeting May 13, 2013**

The meeting came to order at the Stewart house at 7 pm. All board members were present, including Steve Frank, Monica Stewart, Bruce Earley, Sue Fish, Cheri Merrill, Gary Henrich, Anthony Martinez, Sue Sherer and Alan Gangl.

**Minutes** from the April 2013 meeting were approved.

**Treasurer's Report**-Upon request

**Membership:** We have 103 members, 52% of our goal. We have 77 contributions for fireworks totaling \$7195 which is 42% of our goal. Average donation is \$93.44. Sue Fish will write a letter that will be sent to all those that are not current members, but were members last year. Copies to Steve, Sue S and Alan by the end of the week.

**Fund Raising:** Sue Sherer will update master roster by the end of the week.

**Old Business:**

**Clubhouse Cleanup:** Anthony reported that the cleanup went very well and lasted about two hours. It was suggested that we purchase some of the waste grabbers for people doing the road cleanup so they don't have to bend down so much. Sue Sherer will deliver the rhododendron to the hole.

**Clubhouse Rental Activity:** Every weekend in May is booked. June is open. Steve will make contact with the Lake Sawyer Christian Church about overflow activity and we will try to partner with them on the possibility of multiple activities. Sue Fish will send the Word file of the rental survey to Bruce with self-addressed stamped envelopes so he can send that out with their return deposit checks. It was also suggested that we take some flyers to the Lake Sawyer Store; or create an additional flyer that has the phone number tear-offs at the bottom.

**New Business:**

**July 4 Activities:**

**Fun Run:** Discussed the route with cyclists on the road and walkers/runners going through the gate.

Sue Sherer will order the T-shirts and we will charge \$10 for non-members.

There will be a car wash after the fun run.

Current insurance needs to be renewed before permit approval so Bruce will pay the insurance statement upon arrival.

Alan will check with the Westons to see how they want to handle prizes for the Parade of Boats.

Alan will also provide an outline of what has been done in the past for towing the docks.

After the fourth, we may want to look at resurfacing the Minklein's dock.

The board was approached by Joe Perkins who would like to hold a fishing derby during the 4<sup>th</sup> of July activities. He will run it and Steve will call him about which day would work best.

**July Newsletter:** Deadline for our next newsletter is June 10 to get information in to Monica and to publish between the 15<sup>th</sup> and 20<sup>th</sup>. Articles will be:

**Miscellaneous notes that don't fall anywhere else:**

It was suggested that we have one of our meetings at the Black Diamond Community Center.

Steve will check to see if the insurance policy covers damages to other people's property that we may use for fireworks or other activities.

The Riordons have volunteered to host a dock party.

The meeting was **adjourned** around 9:30 and our **next meeting** will be Monday, June 10 at Anthony's house.
